

UNICEF NZ Professional Fundraiser

Are you a talented Sales Representative? An outgoing person? Tired of commission only jobs?

UNICEF is the world's leading children's charity, providing humanitarian and emergency aid around the world.

Our fundraising department is tasked with providing long-term, regular donors.

All our Professional Fundraisers are PAYE employees. Benefits on offer include a solid basic weekly wage coupled with our uncapped bonus scheme. Fundraising representatives can expect to earn \$750 basic (40 hours) p/w + bonus.

We provide all our staff with opportunities for personal development through ongoing training and coaching. We also offer excellent career progression opportunities – many of our fundraising representatives and team leaders have taken on prominent roles within the organisation.

UNICEF are currently looking for talented candidates to join our Street, Residential and Event-based team in Auckland.

Team Leader opportunities available for candidates with previous experience leading sales teams.

This is a fantastic entry point into the charity sector that is not to be missed!
